THE FULL RANGE OF SERVICES PROVIDED IN OUR STATE-OF-THE-ART OFFICE WILL ALLOW YOU TO

- Renew your smile with Tooth Whitening (Bleaching), Bonding (Tooth Colored Fillings), & Veneers
- End the problems of loose teeth with Implant and Tooth-Anchored "Caps," Bridges, & Dentures
- Keep your natural teeth longer with advanced Periodontal Care (Gum Treatment) & Root Canal
 - Decrease potentially harmful risks with low-dose Digital X-Rays, disinfected water supply, the restricted use of latex products, and the use of disposable items whenever feasible
- Gain improved, earlier diagnosis of problems using Laser-Assisted Cavity Detection, "in-the-mouth" photography, high-power magnification, oral cancer screenings, and unrushed, thorough examinations
- Receive ample time with Dr. Fitzpatrick and all team members to have all your questions and concerns addressed, and to best understand your exam results and personal treatment options

- **Separate children's waiting room (for the comfort of those with children -- and those without), activities, and years of experience treating and working with children of all ages!!**

MC / VISA / AMEX We work with many insurance companies. Payment plans available.

**From throughout the region,
 our patients find us
 conveniently located at the
 intersection of Route 38 and

 (Greentree Road)
 —Behind WAWA and across from
 Wolfington Bus Company—**

Dr. Fitzpatrick graduated with honors from the University of Pennsylvania School of Dental Medicine in 1989. He has had extensive post-graduate training in General Dentistry, Community Oral Health, and Geriatric (Older Adult) Dentistry and Medicine. He has held numerous Clinical, Academic, and Public Health leadership positions, and has spoken to audiences at the local, state, and national levels. A life-long area resident, Dr. Fitzpatrick highly values the privilege and experience of treating members of our community for many years!
